Event Description:

The **ATD European Summit** is the premier experience for senior learning professionals to collaborate with peers, exchange learning strategies, hear from industry experts on critical topics and explore cutting-edge examples from modern learning implementations.   The 2019 ATD European Summit's agenda is created to cover an extensive list of topics addressing most of L&D's pressing challenges, including topics such as 'Reskilling your workforce in the age of automation', 'Unleashing the power of experiential learning in your organization', 'Engaging Millennials and Gen Z' and much more.
